

## Free HealthLink

Welcome to Passport OneSource<sup>®</sup>! This manual is intended to supplement your training with Passport Health Communications. Please remember that Passport offers FREE Online training to your facility at any time.

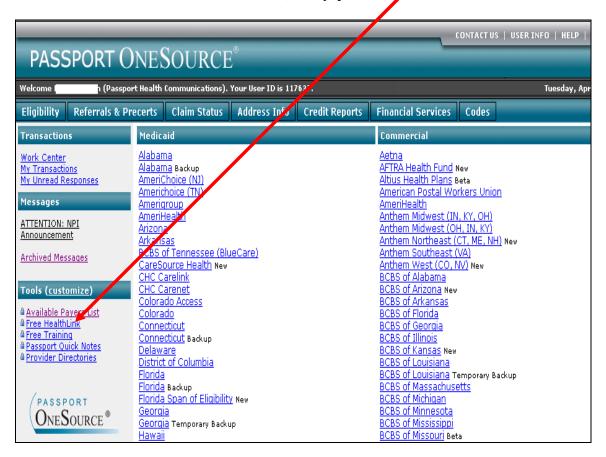

Confidential and Proprietary Information. This document and the software and services described herein are the confidential and proprietary information of Passport Health Communications, Inc. The document is intended for review by customers and their approved users only and should not be distributed to any other third party or persons.

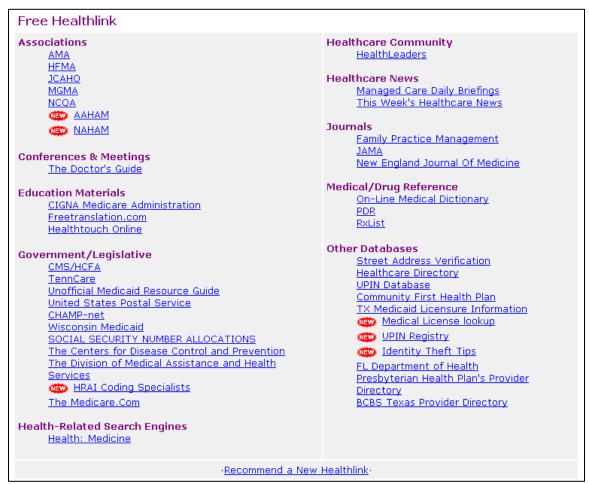

This section of Passport OneSource includes numerous Healthcare websites that are available at NO COST to you! We provide these links as a valuable resource to assist you in your everyday work flow.

To enter the Free Healthlink section, simply click "Free HealthLink."

## \*NOTE: Passport does not maintain or update the websites within this Free Healthlink section. They are simply provided for your benefit.

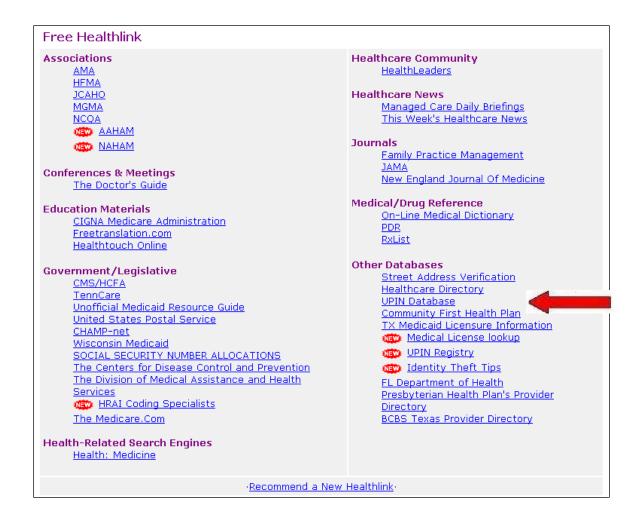

Do you have a Healthcare website recommendation?

Recommend a New Healthlink by clicking the link above!

As an example, we will choose "UPIN Database." This external FREE site will allow you to find UPIN numbers for providers. To enter the UPIN Database, simply click the link as displayed below.

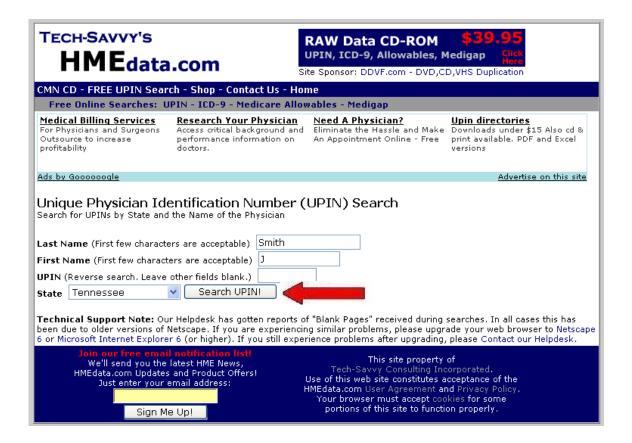

## When the website returns it should appear as shown here.
